Why not maximize your chances for success -- for free?

Learn to leverage intellectual property (IP) with LES sponsored IP mentors and IP analytical tools before the submission deadline.

Don't wait until your business plan is complete. Register now to unlock the untapped potential of your business plan!

We invite students — MS/MBA/MD/JD/PhD and postdoctoral scholars — from around the world to participate in this global competition. We focus on how these IP assets will be utilized to achieve business objectives.

Business Plans are accepted until the First Round deadline, March 1, 2015.

- Learn from IP business veterans who share business expertise earned from start-ups to Fortune 500 companies, throughout the competition.
- Access IP analytical tools. Sign up for our new IP Showcase!
- Win cash and in-kind prizes, including \$10,000 for the Grand Prize and \$5,000 for the LESI Global Award
- Compete from anywhere! The first and final round are virtual this year.
